- Table at the Lube 6/17 Sign Up

Safety Info

- Look where you want to go.
- Look through the corner.
- Go in slow and out fast (safely). You should be shifting up not down through the corner. Downshifting during a corner reduces the bike's balance.
- When riding with someone who has trouble with corners be sure to give them plenty of space.
- Counter-steer at 15mph or more in a corner.
- Practice, practice, practice!
- Diva of the Month-None
- 50/50 Raffle: Winner was Robin W. (\$33 out of \$66 pot)
- Diva and Guest Winner: Stephanie Pisarki with Steve & Lonnie of Diversity Initiative
 - Steve expressed his thanks to our group and presented a volunteer opportunity in the Beer Garden at Bacon and Brews in downtown Tampa 6/27 2-7pm if anyone is interested.
- Open Discussion
- Meeting change was not voted on.
- Awarded Tina Schewe her 10 year pin
- If you leave and come back can still get your pin
