

This year marked an exciting milestone with the formation of the new Gypsy Chapter! What began as a small group

of local women united by a shared passion for motorcycles and camaraderie has grown into a dynamic sisterhood of riders, making an impact both on and off the road. As our members go through life we have

been there to support each other through moves, family loss, daily life, and the joys of renovating homes.

Our first year was filled

with memorable rides, events, and opportunities to give back to our community. In October, after Hurricanes Helene and Milton severely impacted local students and their families, the Gypsy Divas proudly volunteered at Eisenhower Elementary's Trunk or Treat in Clearwater, FL. We dressed as a lovely coven of witches that passed out candy to bring smiles to children and families while representing the spirit of our group. This is our second time participating in this event and we already look forward to next year!

The Gypsies also participated as a chapter in the Pink Ride at Harley Davidson of Wesley Chapel, showing solidarity with other Divas

from the Pasco Chapter to raise awareness for breast cancer research and support. It was an amazing to spend the day meeting and riding dozens of other female riders from around the state for this event. In the heat of the summer our members took part in the 2024 Soaked and Sore Ass Ride, embracing the thrill and challenge of long-distance riding while strengthening the bonds of sisterhood. Riding more than 575 miles total, the bond between us grew with every passing mile. We collected our poker hands at every predetermined spot and pressed on to the finish. We had a couple of big winners in our group!

This year has been a testament to the power of community, adventure, and service. Together, we've built more than just a chapter—we've created lasting friendships and cherished memories. Check out our website <http://www.divaangels.org/> to find a chapter near you. We are a 501c (7) not for profit organization.

We look forward to meeting you and sharing the road on our next adventure!
