

Pasco Diva Angels, who are we? We are ladies first and bike riders second! When it comes to motorcycle groups, people love to categorize you

based on who you are, what you do, what you look like. However, the Diva Angela are a network of female riders and enthusiast. We have the utmost respect for each other, and we have rules like any other motorcycle collective. We're a community built around women who love to ride.

Pasco County Diva Angels are made up of beautiful women who gather for camaraderie, friendship, group rides, and most importantly, we come together to help our local community.

Giving back to our community is our biggest goal! Throughout the year, we hold multiple fundraising events to raise funds, and in turn, we give it back to our local charities. Since 2005, we have donated over \$20,000 to our local charities! All from the hard work of so many amazing women and friends!

We are fortunate to sponsor, participate in and volunteer our time for so many charities and this year is like no other! The Pasco Chapter is raising money for the Warrior Wellness Program by hosting a luncheon on Sept 14th at Chester

McKay VFW Post 7987. You can continue to help by visiting warriorwellnessprogram.org. Your contribution is greatly appreciated.

Come visit us! Meetings are held once a month on the 1st Friday at 7 p.m. We are always looking for new members and encourage you to sit in with us!

For more information, you will find us on all social media sites @DivaAngelsPasco, email us at divaangelspc@gmail.com today! Check out all Diva Angel chapters at <http://www.divaangels.org> to find the local
